

Travel Safety

Before you jump into your car to start your anticipated adventure you should be aware of some traveling safety tips:

- > **Always** be aware of your surroundings when traveling.
- > Remember to bring a **fully charged** cell phone on the roadway.
- > If being followed, **drive to a hospital, fire-hall, 24 hr. market, police station, or any public location.**
- > Travel **well-lit**, busy streets.
- > Travel **with** someone.
- > **Always** lock doors immediately when entering your vehicle.
- > If you break down, use your **cell phone** to call for help.
- > Be familiar with changing a flat tire...at minimum have **all** tools necessary.
- > **Let** someone know your route and travel times/locations.
- > If possible, **don't** carry valuables or large amounts of cash...credit cards or travelers checks are best.
